NCAA CHAMPIONSHIP

	13	Cornell	(OT)	16	in Brown Stad. Providence, R.I.

1977 OUTLOOK

The University of Maryland Lacrosse team opens the 1977 season with one of the key games on the schedule when the North Carolina Tar Heels visit Byrd Stadium on March. 12.

The Atlantic Coast Conference game matches Maryland, the runner-up for the National Championship in 1976, with a team that took the Terps into overtime before losing 12-10 to open the season and then went on to gain a berth in the NCAA tournament, losing to Navy 13-9.

Coach Bud Beardmore lost four of his top five scorers from the team that took Cornell into overtime before dropping a 16-13 decision for the National Championship. In addition, the losses include Frank Urso, a four-time First Team All-American and Mike Farrell the Best Defenseman in the nation.

Leading the returning lettermen is Bob Ott, a Third Team All-American, rated as one of the top faceoff men in the nation after just one year of competition, who also scored 10 goals and contributed six assists to Maryland's scoring.

Mike Hynes, an Honorable Mention All-American and the leading scorer returning on attack with 19 goals and 18 assists and goalie Jake Reed also on the Honorable Mention list are experienced seniors returning.

The 10 game schedule includes four of the seven teams that joined the Terps in the 1976 NCAA Championships, the top club team in the nation in Mt. Washington and the McGarvey's Lacrosse Club team that promises to become one of the top Club teams. Navy, Johns Hopkins and Washington & Lee are the tournament teams.

The Terps went into the NCAA Championship game last year with an 18 game winning streak and including that game have averaged over 17 goals a game in the 19 contests while allowing the opponents less than 10 goals a game.

The defense along with goalie Jake Reed has George Miller back as the crease defenseman, Sophomores Ed Pray, Randy Ratliff and Bob Holland along with Junior Rich Shakespeare and Senior Mark Tully. Shakespeare is a two-time All-American from Suffolk Community College.

Along with Hynes on attack the Terps have Sophomore John Lamon on the crease, returning after scoring a pair of goals along with three assists in the NCAA Championship game. Freshman Bob Boneillo, twice a high school All-American joins the Terps after breaking the Long Island High School scoring record set by Frank Urso. Kim Swerdloff, a junior transfer from Brown, freshmen Mike Farrell, a two time High School All-American (no relation to last year's Maryland All-American) and Wayne Martinello of Windsor, Ontario are newcomers to the attack. Rick Moyer and Drew Tyrie return from last year's squad.

Beardmore's teams have always been noted for their outstanding midfield play with excellent faceoff men, the ability to score and depth. This team should be no different.

Bob Ott will lead the first midfield that includes a 13 goal scorer in Lance Kohler and Mark Shores. Ott led the faceoff men last year and contributed greatly to 38 Maryland goals that were scored within 25 seconds of the faceoff at midfield.

Seniors Bert Olsen and Kevin Boland will have freshman Pete Worstell on their midfield unit. Worstell, a crease attackman in High School who scored 81 goals in his junior year, has a brother at North Carolina.

Sophomores Greg Rumpf and Terry Kimball will also have a freshman on their unit in Ron Martinello from Windsor, Ontario who joined the Terps along with his brother Wayne this year. Ron was a Canadian Box Lacrosse player and member of the Team Canada Field Lacrosse squad.

Billy Gould missed the Fall practice with an injury but played on the extra man defense last year and is a senior midfielder. Also back as midfielders are Tony Morgan and Barry Mitchell but Mitchell will miss the season with a shoulder operation. Freshman Nick Manis is also a strong competitor for a midfield berth.

Maryland and Navy are the only two teams in the nation who have been in all six NCAA Championship Tournaments and Maryland the only team to reach the Championship Game five times.

HEAD COACH "BUD" BEARDMORE

C. A. "Bud" Beardmore will be entering his eighth season as head coach of the Maryland Lacrosse Team. A three time All American while attending the University, he returned to his alma mater for the 1970 season after winning the ACC title in '69 at Virginia. Two seasons after his return to College Park, Beardmore returned the ACC crown to Maryland and the Terps have parted with it only once since. In addition to returning Maryland to the top of the ACC, Terp teams have won two NCAA Championships and finished second three times.

Championships are nothing new for Beardmore. While attending the University he played on two conference winning teams. Following graduation in 1962, he coached Severn Prep to the Maryland Scholastic title in 1965. Two years later, as head coach of Hobart College, he led that team to the Cox Division Crown with a 9-4 record. In 1968 he assumed the head coaching position at the University of Virginia and the following season led them to their first ACC title in five years. His two year record at Virginia was 14-9.

Since his return to Maryland, the Terps have won 73 games while dropping 20. They have appeared in NCAA post season competition six times winning national titles in 1973 and 1975. Three times they have finished second in the tournament losing to Cornell twice, 1971 and 1976 and once to Johns Hopkins in 1974. Only once since the NCAA Tournament began has a Maryland Terrapin team not appeared in the finals. No other team can make that claim.

Until recently Beardmore was the highest scoring midfielder in Maryland Lacrosse history having scored 108 points during his career. Frank Urso, a four time All-American and the only Maryland player ever to have his jersey retired, broke Beardmore's record while leading the Terps to a 49-8 record over four years and two national championships. Urso set a new school record for most goals in a career with 127 while scoring 208 points.

In 1973 Bud was presented the Morris Touchstone Award as the Coach of the Year in Division I. In 1974 Bud Beardmore was the Head Coach of the World Cup Team that traveled to Australia to compete against Australia, Canada and England in the World Series of Lacrosse. The United States won all three games and were World Champions in 1974. He has served as the Treasurer of the U.S. Lacrosse Coaches Association since 1973 and is a member of the Executive Board of the U.S. Intercollegiate Lacrosse Association. During his undergraduate days, he was a member of Phi Delta Fraternity, Omicron Delta Kappa and Kalegothos Honoraries and was named to Who's Who in American Colleges in his senior year. Coach Beardmore is married to the former Phyllis Balzer and has three children: Jimmy 13, Steve 12 and Susan 10.

LACROSSE: THE MARYLAND WAY

THE LEADERSHIP

Maryland's head coach is Clayton A. "Bud" Beardmore.

"I have always felt that the finest moments for an athlete, even aside from individual accomplishments, are those produced through belonging to a group which established itself as the best. Being able to reflect upon those moments after becoming the champion, is to enrich one's life forever. An experience such as this is something totally inconceivable to those who have never been part of a team. To be a champion is to be envied."

"Our coaching philosophy here at Maryland is a three-step program. The first has to do with dealing with the individual as a player. We feel we must treat each player as an individual with individual skills. We must help the player develop these skills to the utmost of his abilities.

"Secondly, we must mold the players' individual talents into a cohesive unit. We must do this to develop the best possible team effort.

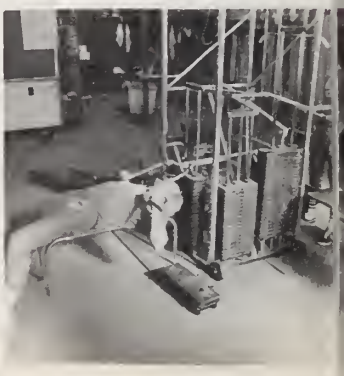
"The third part of the philosophy deals with the player off the field. To the members of our team, we feel a strong obligation to see that he graduates as a useful member of society. To this end, we do not tell a student it is his responsibility to get an education, but we seek to share that responsibility.

"On and off the field, we make a commitment to our players. Our goal is to be the best on the field, in the classroom, in whatever we do."

THE FACILITIES

A player for the Terrapins goes first class all the way in his pursuit of being the best. He plays his home games in Byrd Stadium with a seating capacity of 45,000. All equipment is provided by the University, including sticks and personalized jerseys. The locker room is modern and fully carpeted, and includes the most modern weight training facilities available for player conditioning. The team has a choice of practicing on a regular grass surface, or an artificial turf field. Dorm facilities are exceptional, and team members are not required to live in a restricted athletic dormitory, but are encouraged to grow in the broadest possible collegiate setting.

The facilities of the College Park campus, one of the most beautiful in the nation, are obvious. An extensive student union, complete with movie theaters, bowling alleys, and book stores, provide for stage productions, clubs and extracurricular organizations, and an extensive series of special events including numerous rock concerts.



THE EDUCATION

Lacrosse is not the only part of a player's life. Every player recruited by Coach Beardmore is enrolled with the intention that he shall successfully complete a program leading to a bachelor's degree. The responsibility to see that each student has the utmost opportunity to successfully complete his academic program is seen by Coach Beardmore as a part of the trust a player places in him when he enrolls in the University.

Academically, the University ranks as one of the finest institutions of higher learning in the country. Its location near Washington, D.C. has drawn over 6,000 members to its faculty, and the school offers baccalaureate degrees in 122 different fields. The University presently ranks 28th out of the 227 universities in granting doctoral degrees.

In addition, the coaching staff has instituted a Big Brother Program for incoming freshmen. A varsity player, with similar major interests, is assigned to help each freshman adjust to his new scholastic and extracurricular life. A faculty academic advisor is made available to help all team members plan their academic programs, and tutoring is available for anyone having trouble in specific subjects.

THE GOAL

TO BE THE BEST

This four word phrase is the uncompromising goal of Maryland lacrosse. In practice, in competition, in the classroom, within the student body, members of the University of Maryland lacrosse team are dedicated to achieving the position of Number One. The goal is an ambitious one, but anyone who aims lower is not going to fit into the Maryland program.

When you aim for the top, you must pay the price, and anyone who believes that success comes without effort is fooling himself. The demands on a Maryland lacrosse player are great, but anything less would compromise our goal.

At Maryland, lacrosse is a year-round sport. The program starts with Fall drills, at which time the team learns the Maryland system and works on team coordination. The winter months are devoted to physical conditioning, and the Spring to the championship season at hand.

During Spring vacation, the workouts continue, but the practice site shifts from College Park to Boca Raton, Fla. The facilities of Boca Raton are made for lacrosse. Two bermuda grass fields, the most modern locker and training facilities; the stay in Florida is one of the season's highlights.

This, then, is lacrosse—The Maryland Way. The privilege is a great one as is the price. However, all of Maryland's players are willing to pay it, to be a part of Maryland's drive to Be the Best.

FRANK URSO

On January 22, 1977, the University of Maryland honored one of its many outstanding athletes by bestowing upon him the highest tribute an institution can offer, that of retiring the athlete's jersey. Frank Urso, a four time first time All American, was so honored when he became the first lacrosse player in the school's history to have his jersey retired.

"It was a great honor to have my number retired. I am well aware of all the great lacrosse players who have played here at Maryland, and being the first to have his jersey retired is certainly a great honor for me," commented Urso during the halftime ceremony.

"I certainly enjoyed my stay at Maryland, I played on two national championship teams and played in four national championships. I have learned a lot from Coach Beardmore, and I have learned a lot from the guys I have played with and played against. When someone mentions the word class, I think that is the best way to describe Maryland Lacrosse. Everything is done with being the best in mind and that is why I feel that Maryland is the best, and I would not have done anything different about my college career and college education."
